

## The Stealth Campaign to Use U.S. Law to Support Settlements: Taking the Battle to the States, 2014-2018

In 2014, opponents of boycotts, divestment, and sanctions (BDS) against Israel began promoting legislation in various U.S. states denouncing the BDS movement. In 2015, these efforts shifted/expanded to mirror efforts in the U.S. Congress to hijack concerns about BDS against Israel in order to pass legislation mandating that Israeli settlements be treated, in effect, as part of sovereign Israel. In 2016, these efforts delivered results, with a number of states adopting legislation to – in effect – have states boycott, divest from, and sanction companies that engage in BDS against Israel, or that in any concrete way differentiate between Israel and the settlements. In addition to conflating settlements and Israel, much of this legislation is patently unconstitutional. For info/analysis on the constitutional issues, see [here](#).

This table – which is updated regularly – is intended to help people understand and follow what is happening at the state level, including legislation (pending and adopted) and any blacklists produced and promulgated as a result of such legislation.

**Quick fact: As of April 3, 2018, the following states have enacted laws or executive orders targeting boycotts of Israel and/or Israel & settlements: Alabama, Arizona, Arkansas, California, Colorado, Florida, Georgia, Illinois, Indiana, Iowa, Kansas, Maryland, Michigan, Minnesota, Nevada, New Jersey, New York, North Carolina, Ohio, Pennsylvania, Rhode Island, Texas, Wisconsin**

**Excerpt:** \*The phrasing in this legislation is different than what has been seen previously. The drafters appear to have taken an approach someone like the one taken in California to try to ensure that language prohibiting boycotts does not conflict with rights protected under the Constitution. Thus, in this version we get: "Boycott of Israel' means, except as otherwise provided in subsection 2, refusing to deal or conduct business with, abstaining from dealing or conducting business with, terminating business or business activities with or performing any other action that is intended to limit commercial relations with: (a) Israel; or (b) A person or entity doing business in Israel or in territories controlled by Israel, ~ if such an action is taken in a manner that discriminates on the basis of nationality, national origin or religion. 2. The term does not include an action that is described in subsection 1 if the action: (a) Is based on a bona fide business or economic reason; (b) Is taken pursuant to a boycott against a public entity of Israel if the boycott is applied in a nondiscriminatory manner; or (c) Is taken in compliance with or adherence to calls for a boycott of Israel if that action is authorized in 50 U.S.C. § 4607 or any other federal or state law."

**Bill title:** AN ACT Relating to restricting the government from burdening a person's fundamental right to free exercise of religion and freedom of conscience...

**BDS or BDS+Settlements:** BDS + settlements

**Official Description:** Concerning the burdening of exercises of religion and freedom of conscience.

**Excerpt:** Re-defines “free exercise of religion and freedom of conscience” to include “The right to engage in commerce free from any discriminatory boycotts or blacklists.

Discriminatory boycotts or blacklists for purposes of this section shall be defined as the formation or execution of any express or implied agreement, understanding, policy or contractual arrangement for economic benefit between any persons which is not specifically authorized by the laws of the United States and which is required or imposed, either directly or indirectly, overtly or covertly, by a foreign government or foreign person in order to restrict, condition, prohibit, or interfere with or in order to exclude any person or

persons from any business relationship on the basis of... national origin or lawful business relationship.” [In essence, would legislate that it is a violation of Person A's freedom of religion/conscience if Person B boycotts Israel or settlements]

**EO title:** Relating to the Prohibition of Discriminatory Boycotts of Israel in State Contracting

**BDS or BDS+Settlements:** BDS+Settlements\*

\*text of EO does not define term “boycott Israel.” While this could mean that it is intended to apply only to sovereign Israel, experience with similar ambiguities in other states, including the EO signed by the governor of New York, suggest that it will be implemented to treat boycotts of settlements as no different from boycotts of Israel.
