The Stealth Campaign to Use U.S. Law to Support Settlements: Taking the Battle to the States, 2014-2020

In 2014, opponents of boycotts, divestment, and sanctions (BDS) against Israel began promoting legislation in various U.S. states denouncing the BDS movement. In 2015, these efforts shifted/expanded to mirror efforts in the U.S. Congress to hijack concerns about BDS against Israel in order to pass legislation mandating that Israeli settlements be treated, in effect, as part of sovereign Israel. Starting in 2016 and continuing through the present day, these efforts have delivered tangible results, with large numbers of states adopting legislation to—in effect—make it the law that the states boycott, divest from, and sanction companies (and in some cases, individuals) that engage in BDS against Israel, or boycott settlements (or otherwise differentiate between Israel and the settlements). In addition to conflating settlements and Israel, much of this legislation is patently unconstitutional. For info/analysis on the constitutional issues, see [here](https://fmep.org/wp/wp-content/uploads/pending-BDS-Conflation-bills-in-Congress.pdf). The table below—which is updated regularly—is intended to help people understand and follow what is happening at the state level, including legislation (pending and adopted) and blacklists produced/promulgated as a result of such legislation.

**Quick fact: As of 3/11/20, the following states have enacted laws or executive orders targeting boycotts of Israel and/or Israel & settlements:**

Alabama, Arizona, Arkansas, California, Colorado, Florida, Georgia, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Maryland, Michigan, Minnesota, Mississippi, Nevada, New Jersey, New York, North Carolina, Ohio, Pennsylvania, Rhode Island, South Carolina, South Dakota, Texas, Wisconsin

[*A table of these laws/EOs, including which ones explicitly confine Israel & settlements, is [here](https://fmep.org/wp/wp-content/uploads/pending-BDS-Conflation-bills-in-Congress.pdf)*]

Details of Legislation

State: Alabama
Bill number: SB 81
Introduced: 2/2/16
Last action: Passed into law & signed by the governor 5/10/16
On 7/29, the Alabama Comptroller issued guidance regarding implementation of SB 81, here.
Link: http://alisondb.legislature.state.al.us/Alison/SESSBillResult.ASPX?BILL=SB81
(alt link: https://legiscan.com/AL/bill/SB81/2016)
Bill title: Public contracts, governmental entities precluded from entering into contracts with entities that boycott certain persons or entities with whom this state enjoys open trade
BDS or BDS+Settlements: BDS+Settlements
Excerpt: Bars contracts based on boycotts, defined as follows: “BOYCOTT. To blacklist, divest from, or otherwise refuse to deal with a person or business entity when the action is based on race, color, religion, gender, or national origin of the targeted person or entity or is based on the fact that the boycotted person or entity is doing business in a jurisdiction with which this state can enjoy open trade and with which the targeted person or entity is doing business.” [While the bill never mentions Israel or settlements, this definition was clearly designed to bar boycotts relating to both – as is evident in the reaction from the Israel Project].
Media: The Israel Project: The Israel Project Congratulates Alabama’s Governor and State Legislature for Adopting a Law to Ban BDS Discrimination
AL.com: Group praises new Alabama law opposing boycotts of Israel

*As of 2/28/17: Minnesota legislators have so far stripped out the Israel-settlements conflation from current versions of the bill. They have also tweaked remaining text to focus on standard discrimination concerns in an effort to get around constitutional issues. It remains to be seen what final text will say, but as of now this bill is on-track to end up in a similar place as CA's A 2844, passed in 2016.

Excerpt: *The phrasing in this legislation is different than what has been seen previously. The drafters appear to have taken an approach someone like the one taken in California to try to ensure that language prohibiting boycotts does not conflict with rights protected under the Constitution. Thus, in this version we get: “Boycott of Israel means, except as otherwise provided in subsection 2, refusing to deal or conduct business with, abstaining from dealing or conducting business with, terminating business or business activities with or performing any other action that is intended to limit commercial relations with: (a) Israel; or (b) A person or entity doing business in Israel or in territories controlled by Israel, – if such an action is taken in a manner that discriminates on the basis of nationality, national origin or religion. 2. The term does not include an action that is described in subsection 1 if the action: (a) Is based on a bona fide business or economic reason; (b) Is taken pursuant to a boycott against a public entity of Israel if the boycott is applied in a nondiscriminatory manner; or (c) Is taken in compliance with or adherence to calls for a boycott of Israel if that action is authorized in 50 U.S.C. § 4607 or any other federal or state law.”
